

MARINE BUSINESS FOR SALE

WATER SPORTS TRAINING & ACTIVITY CENTRE

Ref No:	FPM67700
Description:	Sailing, powerboat and paddle sports training and activity provider.
Location:	Teignmouth
Asking Price:	£195,000

Opportunity Overview

Founded in 2007 and now for sale due to retirement, a Devon based beachside located water sports training and activity centre, which is owner operated and supported by a team of highly qualified instructors and experienced staff. Delivering on the water, classroom-based and online courses for beginners through to advanced and instructor level qualifications, the business enjoys an excellent reputation in its regional locality not only for its qualification-based training services, but also for being a holiday activity destination and service provider for school groups.

The centre, occupied by way of commercial lease, provides power sports courses including for RIBs and PWC, paddle sports courses for kayaking and paddleboarding, and sail sports courses for dinghy sailing and windsurfing. Its unique skills concept is modelled on a learn, evolve, and master approach to all disciplines, which demonstrates the breadth of knowledge and experience underpinning the delivery of training.

The business provides suitably qualified and experienced boaters with a powerboat charter service and equipment hire is available by the day and on an hourly basis. It retails water sports clothing and small equipment both onsite and via its website which has an integrated online shop. The well-maintained training and hire fleet, along with all equipment, is included in the asking price. All handover support and training will be provided to ensure a successful transition of ownership. This is a perfect acquisition opportunity for a suitably qualified principal or chief instructor, or a similar business seeking a presence in the region.
