LEISURE MARINE & WATERSPORTS EQUIPMENT RETAILER

Ref No:	FPM67703
Description:	Retail outlet with UK and international online sales.
Location:	Essex (Relocatable)
Guide Price:	£159,000 + Stock at Valuation

Opportunity Overview

This business was established in 2015 by its owner, who had previously enjoyed a long and successful career at several profile companies within the leisure marine product supply chain. Having established this business initially as a traditional location-based retail offering, it has evolved significantly by developing and growing online, into a watersport and leisure specialist with both UK and international sales income. It is now for sale due to our clients' intended retirement.

Its focus is on sourcing and supplying value for money, quality, leisure marine and watersports equipment, with a particular emphasis on finding new products and solutions. It offers a wide range of above and below deck equipment, inflatable boats and tenders, clothing, electronics, safety and maintenance items, small boats and outboard engines, instruments, chandlery, specialist kit, stand up paddle boards, kayaks and a wide range of watersports, water toys and lifestyle products. As well as supply only, it provides both its leisure and trade clients with telephone and email-based advice and technical support when required.

The business operates from a river fronted boat yard building, located close to a large marina and number of yacht clubs, where it maintains a showroom accommodated in a former sail loft. However, it could easily be relocated on completion.

All handover support and training will be provided to ensure a successful transition of ownership. This is a perfect acquisition opportunity to acquire a business with unlimited potential to be developed further into a significant e-commerce retailer and online brand.
