

MARINE BUSINESS FOR SALE

BOATS OUTBOARDS & PWC DEALERSHIP

Ref No:	FPM67684
Description:	Boats, outboards, PWC sales and marine engineering services.
Location:	North Fambridge, Essex
Guide Price:	£165,000 (+ Stock at Valuation)

Opportunity Overview

Originally founded in 1982 this well-regarded marine business moved to its new marina-based location in January 2022, from where it offers customers RIBS and inflatable boats, outboard engines, personal watercraft, trailers, parts, and accessories, as well as a wide range of specialist services including marine engineering, installation of electronics, GRP repairs and boat brokerage.

The company is an exclusive sales and servicing centre for a leading manufacturer, through which it generates the majority of its income, and enjoys a great reputation with local clients as well as with customers in the wider Essex region. It also has several other premier brand boat dealerships in place currently, with a number of other exciting dealership options in the pipeline.

There remains ample scope to expand the business because of its recent move to bigger premises, which are occupied by way of commercial lease. The accommodation includes sales showroom, workshops, secure storage and display compound, moorings and access to all marina services and facilities.

The company has three loyal, highly skilled, and experienced employees, which includes the owner. Trading days are Monday to Saturday, 8am to 5pm (Saturday 4pm), closed Sundays.

Now for sale due to the timely and genuine intended retirement of our client, this is a perfect opportunity for either an existing marine trade business or private individual looking to acquire a long-established and profitable leisure marine concern on the East Coast. All handover support and training will be provided to ensure a successful transition of ownership.
